# OverDrive Libby App for NOAA Users
## Step-by-step log in instructions

Welcome! Thousands of public libraries offer ebooks and audiobooks (for free!) in Libby. Let me ask you a few questions, to guide you to your library.

First question: do you have **a library card**?

Yes, I Have A Library Card

Not Yet

First time Libby Users start here
(If you already use Libby go to page 14)

**Download the Libby App from the App Store on your Android or iOS device**

1.

When you open your app for the first time, you will see a welcome screen.

It asks, "First question: do you have a library card?"
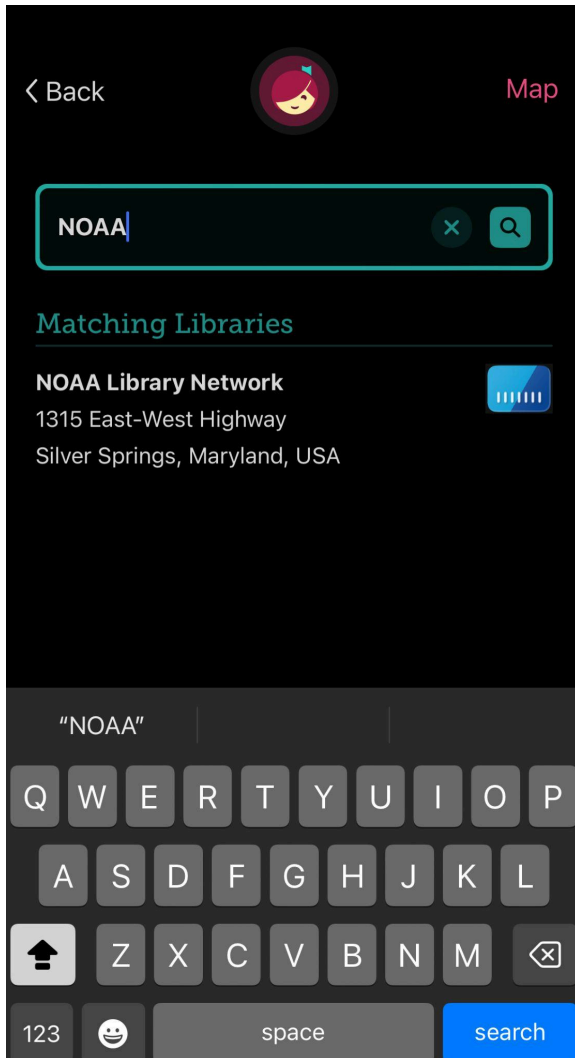

Select **Yes, I have a Library Card**

2.

The next screen asks about your library.

It says, "You can look up your library by name or location."

Select **Search For A Library**

Updated: 11/5/2024

3.

The next screen opens a search box.

Type in "NOAA"

Select **NOAA Library Network** from the matching libraries list
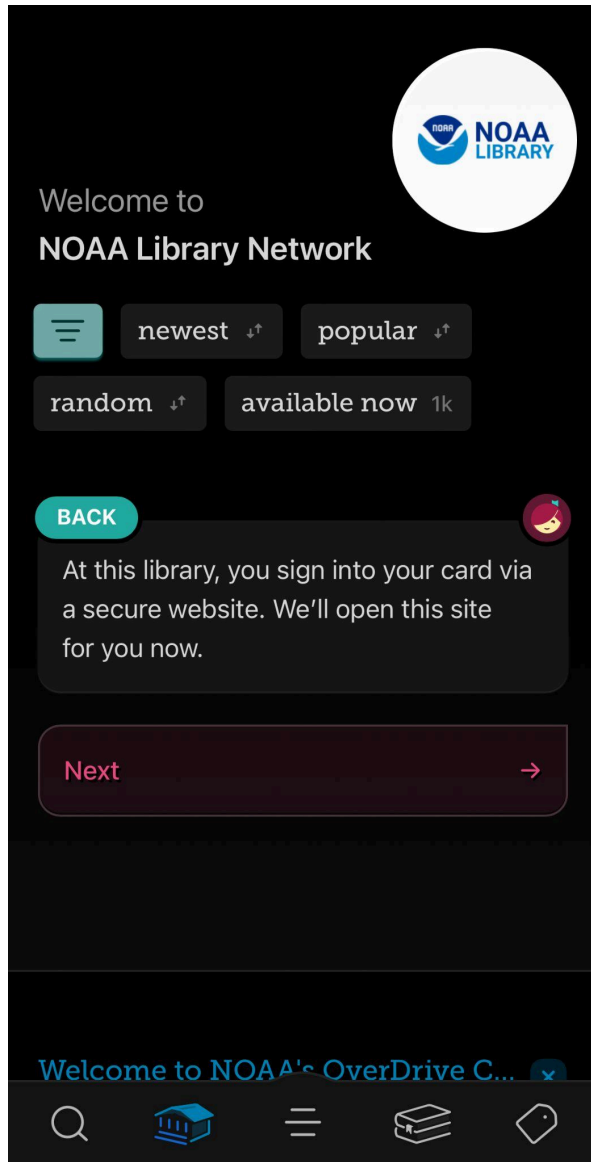

Updated: 11/5/2024

4.

The NOAA Libraries icon should appear on the screen.

The screen prompts, "Add a library card for NOAA Library Network so you can borrow titles and place holds"
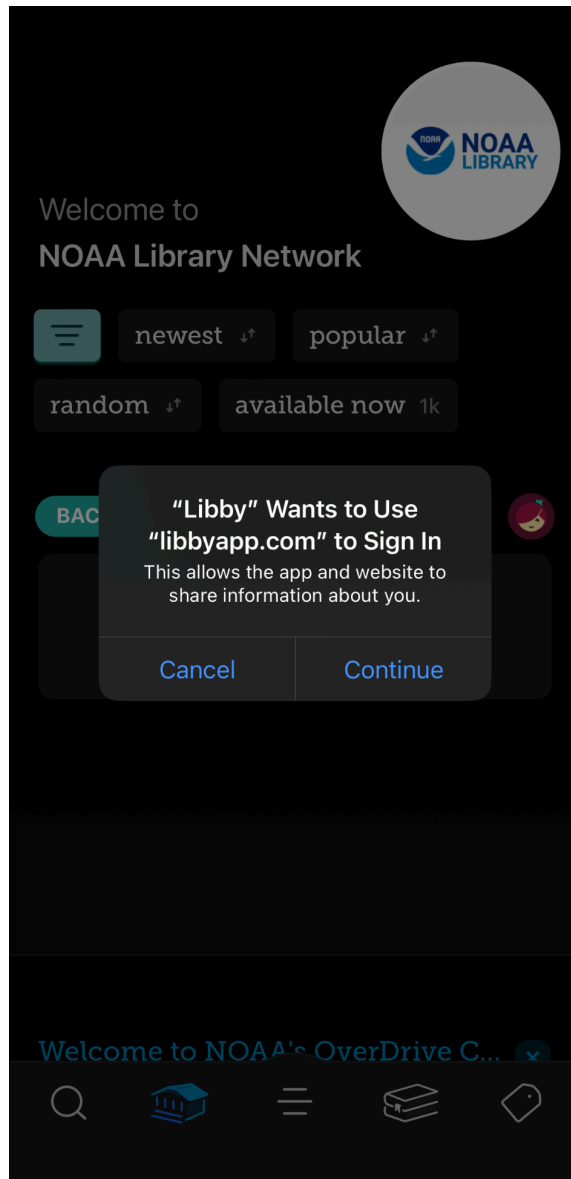

Select **Sign In With My Card**

4

5.

The next screen states, "At this library, you sign into your card via a secure website. We'll open this site for you now."

Select **Next**

Updated: 11/5/2024

6.

You may get a pop up asking if you would like to proceed to the login page.
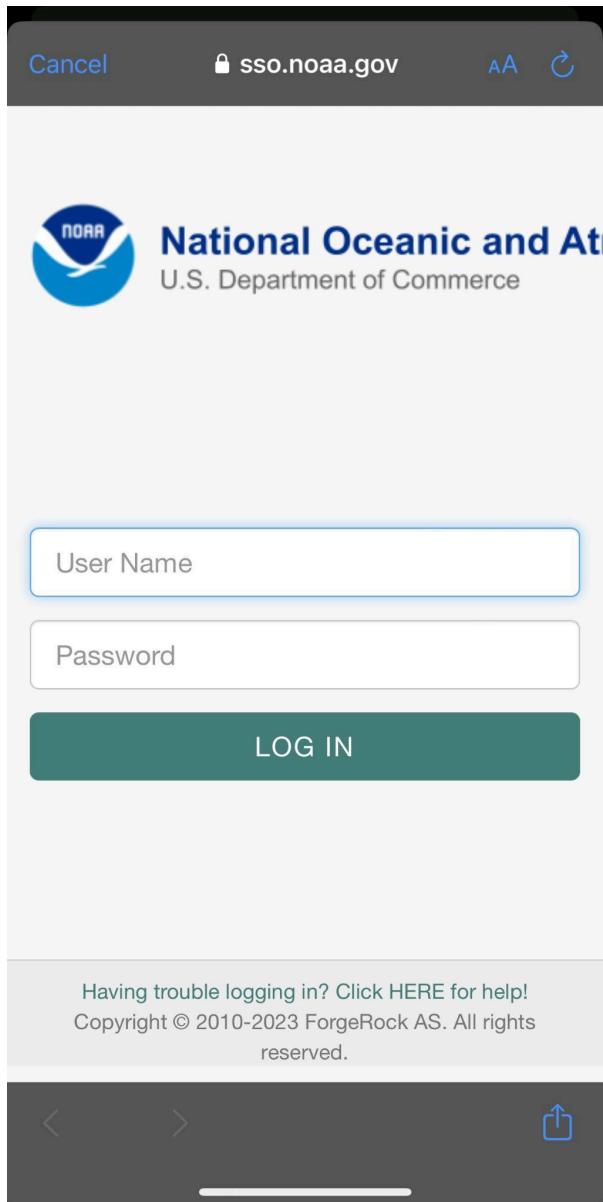

Select **Continue**
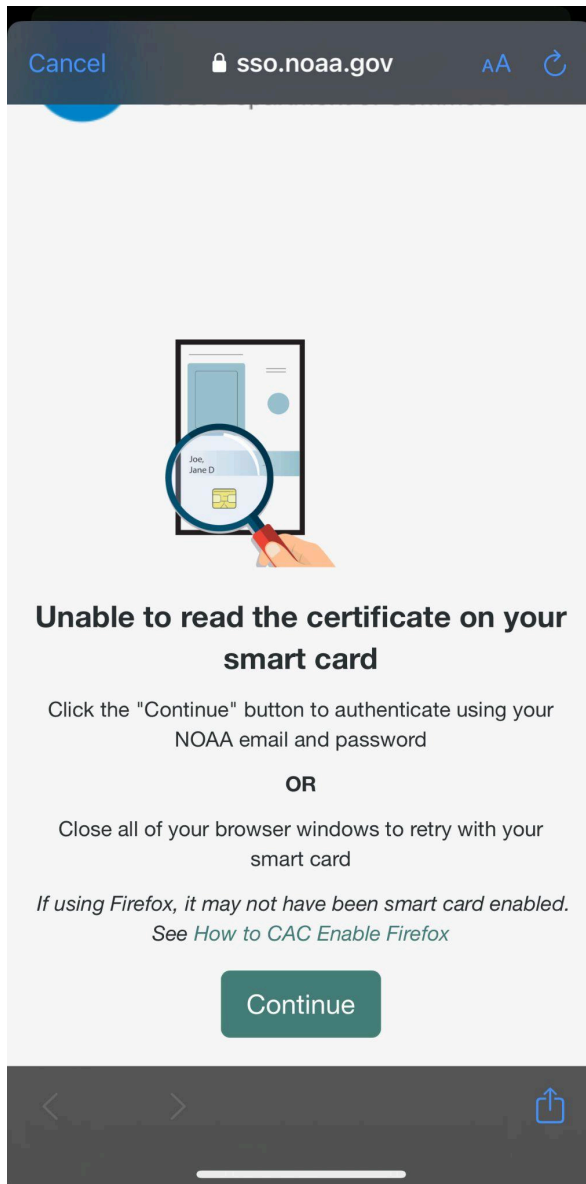

7.

You may see this message, "Unable to read the certificate on your smart card."

Click the "Continue" button to authenticate using your NOAA email and password

Select **Continue**

Updated: 11/5/2024

8.

Enter your NOAA username (your NOAA email address without @noaa.gov) and password

Select **LOG IN**

## Step-by-step log in instructions

**9.**

You will get a pop-up asking you to choose how you'd like to sign in to "sso.noaa.gov" if you have Multi-Factor Authentication set up for your noaa.gov account.
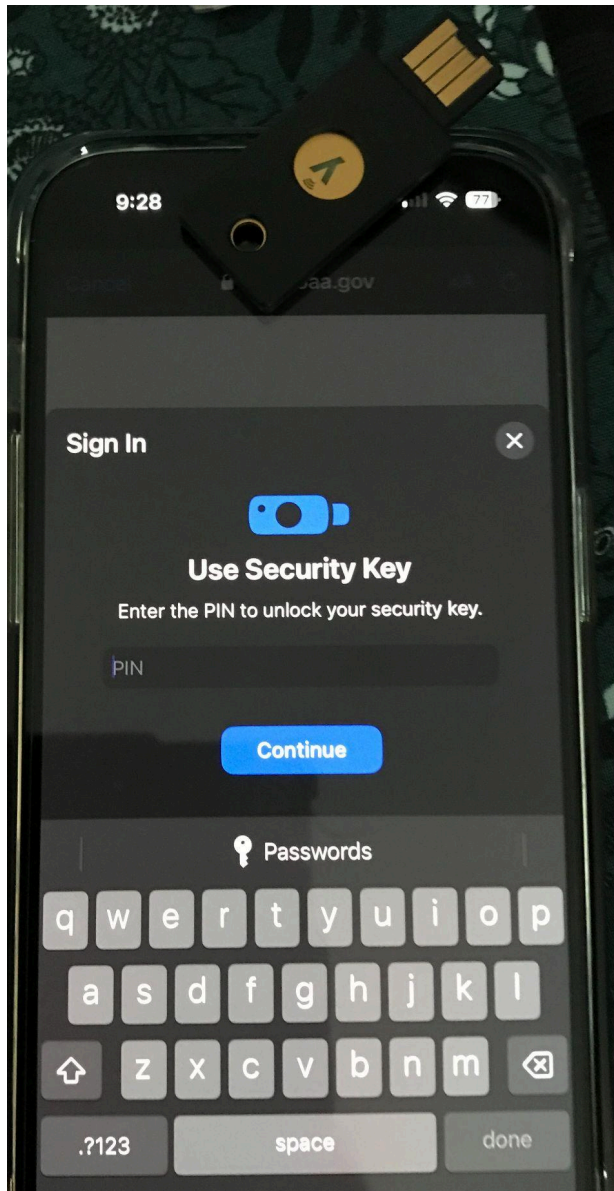

**Select to use a security key** (Yubikey option)

If you don't have a Yubikey set up, you may have the option to use the authenticator app

*If you haven't set up MFA with your NOAA account you will need to do so. Follow instructions here to set up your Yubikey and contact your local help desk for assistance if needed.*

**9**

10.

To use the Yubikey, place the Yubikey near the top of your device. (Device must be NFC enabled)

A pop up will appear asking you to enter the PIN you set up for your Yubikey.

Enter your PIN number

Select **Continue**

Updated: 11/5/2024

11.

The "WARNING You are accessing a U.S. Government information system" screen will appear.
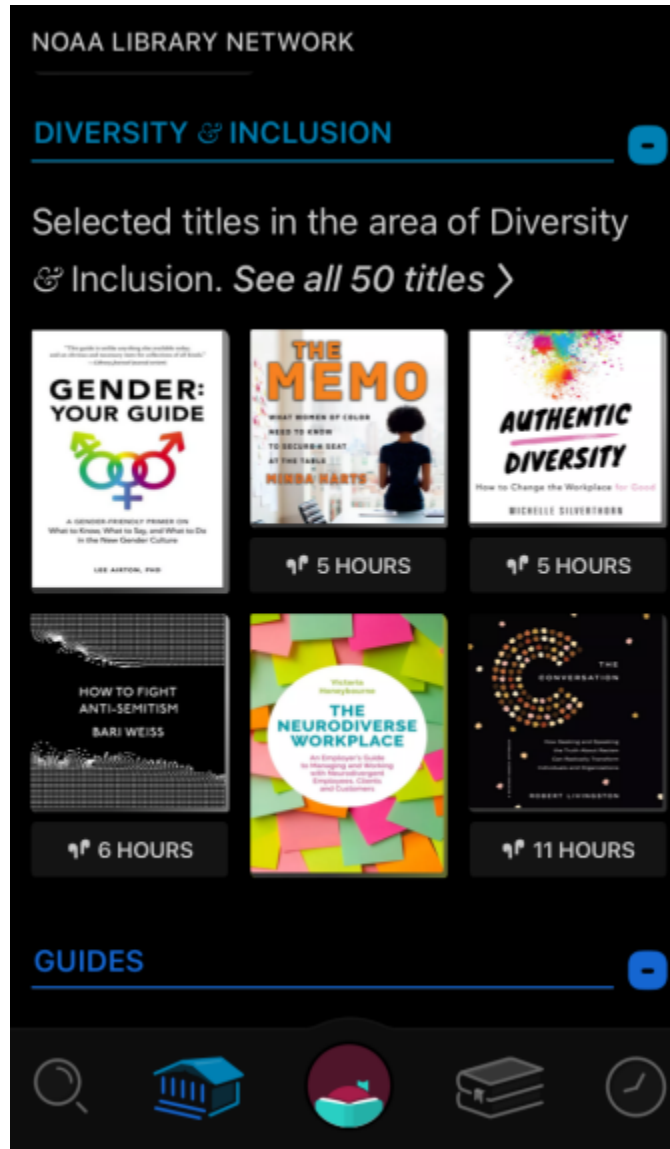

Scroll down and click **Accept**

12.

You are now signed in!

You have the option to open books directly on your Kindle device or Kindle app.

You may also Skip this step.

## Step-by-step log in instructions

13.

**Browse the digital collection and borrow a title.**

Titles are automatically returned at the end of the lending period. No late fees!

Check out up to **15 titles** at a time.

Quick Tip: If a title is not available, you can place a hold. After you place a hold, view your spot in line by going to your Shelf, tapping Holds, then tapping Wait List.
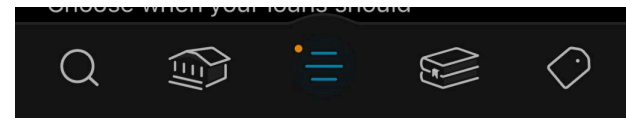

**Enjoy!**

**If you already have and use Libby, you can add your NOAA Account to your Library**

In the Libby app select the center three vertical lines.

Scroll down past your current library cards and select **Add Library**

Go to **Step 3** and follow from there to add the **NOAA Library Network**
