

## **NOTICE OF SEIZURE AND PROPOSED FORFEITURE**

**NOAA Case No. AK2414881, F/V *Kasatka***

### **TAKE NOTICE: F/V *Kasatka* and Artemon Basargin, Jr.**

On November 29, 2024, at or near Kodiak, Alaska, duly authorized officers seized approximately 389 pounds of IFQ Halibut, valued at \$1,385.98, from the fishing vessel (F/V) *Kasatka* and IFQ permit holder Artemon Basargin, Jr. for violation of federal law, including the Northern Pacific Halibut Act, 16 U.S.C. § 773 et seq. and regulations issued thereunder, including 50 C.F.R. §§679.40(b), (d) and 679.7(f)(5).

The seized property, being perishable, was sold for \$1,385.98, the proceeds of which are subject to forfeiture to the United States under 16 U.S.C. § 773h(a), and are being held by NOAA.

Notice is hereby given that NOAA is commencing forfeiture proceedings against the above-described property.

Any person claiming an interest in the above described property must file a claim within 30 days after the date of final publication of this notice. Said claim must be filed with the **Office of General Counsel, Enforcement Section at P.O. Box 21109, Juneau, Alaska 99802-1109**. Such claim must be received by the above office on or before **March 26, 2025**. *See* 15 C.F.R. § 904.504.

Said claim must: 1) identify the specific property being claimed; 2) state the claimant's interest in such property (and provide documentary evidence of such interest if available) and state that the claim is not frivolous; and 3) be made under oath, subject to penalty of perjury.

If a proper claim is not received by that date, the property will be declared forfeited to the United States and disposed of according to law. If the claim is timely filed, the matter will be referred to the U.S. Attorney to institute forfeiture proceedings in a U.S. District Court.

Alternatively, you may choose to delay forfeiture proceedings (see next page). The delay of forfeiture proceedings means that the forfeiture of the property will be stayed until the underlying case is resolved and all other proceedings have been concluded.

You may also choose to voluntarily abandon your property (see next page). This means you voluntarily give up all interests in the property seized to the government and abandon any claims, thereby terminating your property rights and ending the forfeiture proceeding.

At any time after the seizure, but no later than 90 days after the date of forfeiture you may also petition NOAA for remission or mitigation of the forfeiture, *except that* NOAA will not consider a petition for remission or mitigation of forfeiture and restoration of proceeds while a forfeiture proceeding is pending in Federal court.
