I will work in some edits to the final version. I'll let Louis know when it's ready to send.

Thanks,
Alli

Louis,

Please see request below from Mary. I told her I can help get her a copy of the remarks, if that's something you still want to share. Please let me know how to proceed.

Thanks,
John

Hi Peyton and John

Louis mentioned yesterday he'd provide me a copy of his remarks I could share with AMS leadership. Who would I talk to about that? Mary
