Already have. Steven and I planned to visit Birmingham and just learned you/Kevin were doing from office. Also asking them for talking points just adds workload. Why is it folks cannot remember to at least keep CoC info'd? FDs are really frustrated and hurting like everyone else...this just adds insult to injury. Glad you recognized the oversight

Team,

Just thought of a key step we missed before calls. We need to loop in SR HQ, ERHQ, NCEP director and Center directors.

We shouldn't catch them by surprise that we are making calls.

Best,
Mary

Hi Mary and Louis,

Here are the phone numbers for the WFOs, CWSUs, and RFCs that have dealt with Dorian. Additionally, I have listed the phone numbers for the National Centers. These numbers will likely lead to a phone tree, in which you will have to select the option to speak with a forecaster. If you need any additional numbers, please let me know.
