I thought the briefing was at FEMA – may have misunderstood. So at the WH. Do you have a time we should arrive?

Julie- I won’t be at the brief, but I’ll ensure Mark Harvey delivers the goods.

The POTUS brief will be in the Oval Office, are you going to FEMA first?

Best,
Jeff

That would be awesome. I can’t say I have President jelly beans. I snapped a couple boxes of M&Ms off a flight on AF1 (back-up) but no jelly beans. Will you be at the briefing this afternoon at FEMA?

Any chance you know what time I need to have Neil at FEMA for security?
