The President was briefed numerous times about the potential impacts. Attached is the 5am update from August 31 where Alabama is in the potential for tropical storm winds starting Tuesday. The track shifted further east reducing the chances for Alabama to see impacts. [REDACTED] (b)(5)

Kindest regards,
Julie Kay Roberts, CEM
Deputy Chief of Staff
National Oceanic and Atmospheric Administration

“You can tell a lot about a fellow’s character by his way of eating jelly beans.” President Ronald Reagan
