Katrina et al.

Thanks for putting this together.

See attached for my track changes.

Hello all -

Attached is a draft briefing paper on the inclusion of WaterFix in the ROC on LTO. Please review and identify other advantages / disadvantages, ideas, or edits by 10/17 if possible so that we can discuss if necessary at our Core Team meeting on Tuesday 10/17. We would like to capture all the agencies, water users, and interested parties positions/opinions before elevating to directors.

Thank you,

Katrina Harrison
