Hello all -

Thank you for your interest and being willing to meet with Trinity tribes regarding the Reinitiation of Consultation (ROC) on the Coordinated Long-term Operation (LTO) of the Central Valley Project and State Water Project. So far, I have heard back from the Yurok and the Hoopa regarding a tribal meeting with the Trinity area tribes on the Reinitiation of Consultation. We are going to try to schedule separate tribal meetings (i.e. one with Hoopa, one with Yurok, others if they respond) for 1 or 2 days the week of December 11, so please hold that if possible.

Thank you,

Katrina Harrison
