Attached are my track changes to the CWF in or out document in the version Janice commented on.

Saw this in my drafts folder, doesn't look like I sent it out. Apologies for the duplication if I already sent it out earlier.

Hello all -

Attached is a draft briefing paper regarding the ROC on LTO duration for your review, additions, edits, concerns. This is a bit more thorough than we had discussed at the last Core Team meeting.

Also attached is an updated draft paper on the CWF.

Both of these are draft and do not represent any official positions or arguments.

Thank you,

Katrina Harrison
