**Subject:** ROC on LTO Near-term actions EA

Hopefully those of you who have "RSVP'ed" "yes" are actively reviewing and commenting on the EA (thanks, Jeff, for your track changes).

If you have any questions or are confused about anything you read, please let me know by COB today. I may be able to answer, but if not, we have a dedicated core team meeting tomorrow for just that, so I can convey those questions.

Comments on the EA by COB tomorrow, please.

-Garwin-
