Subject: Notes for USBR ROC on LTO Delta Technical Brainstorming Workshop
Attachments: ROC on LTO Workshop_Delta_CompiledNotes_180119_Final.docx

Hi all,

Attached are notes capturing the issues and ideas we discussed during the Delta Technical Brainstorming Workshop in January. We're sorry for the delay in circulating them!

Thank you again for your attendance and willingness to share your ideas with the USBR team. Please let me know if you have any questions or comments.

Best,
Terra
