**Subject:** BYRNE comments on Draft EA for ROConLTO  
**Attachments:** Near Term Draft EA 20180619\_BB\_complete.docx

Subject doc attached. All comments phrased in a way that can be shared with Reclamation as is -- i.e. I didn't make any "internal" comments.

Still running behind on the science summary; will send that over the weekend (heading into the woods and won't have e-mail access for a few days).
