Maria & Barry --

Attached are:

1. \*Draft\* agenda for tomorrow's call (noon-1pm)
2. Materials related to Agenda Item #4 -- ROC on LTO MOU
  - a) the NMFS comments we submitted on the draft MOU
  - b) background doc from Garwin

Cathy and I are working on background for Items #2 (CWF updates) and #5 (SWRCB hearings re: change in point of diversion) and should get those out late today or early tomorrow. That material will include an update on the status of each of the BiOp clarifications we discussed with the PWAs. Note that we have NOT yet received a draft clarification letter from Reclamation.

We're also looking into what Item #3 (BOR's participation in the Adaptive Management Program) is about and will provide background if we can.
