Hi Maria,

Attached is the most recent iteration of the Science Work Plan for the Shasta RPA that Josh and I put together based on the previous versions and NMFS/Reclamation discussion. Hopefully everyone can review and provide feedback.

Once we review, we can have a follow-up meeting to finalize the Work Plan before the November 6th CSAMP meeting. I am still working with Anita to schedule that meeting but tentatively we've blocked Wednesday (11/1) 4-5pm.

Thanks,  
Evan Sawyer
