Thad & Lewis -- See attached for a suggested draft agenda for tomorrow's meeting; feedback welcome. If you already have an agenda drafted, we're happy to go with that.

Would like to get an agenda and the suggested background materials (attached here for convenience) out by the end of the day.

Barb

P.S. By mistake, we booked an un-needed NMFS conference line on the google calendar invite -- I'm working to get the NMFS conf line removed to avoid confusion tomorrow. I captured just your conf line on the agenda.
