Subject: ROC on LTO needs

Eric,

As you know, based on our earlier conversation, that we're trying to frame up resource needs for the ROC on LTO consultation.

We have written down \$50K for basic assistance, and \$100K for ...more realistic assistance.

Do you need additional funding in order to help us through the analyses, e.g., inSalmo, CVTemp/RAFT, temperature-dependent egg mortality model, etc.?
