Cathy,  
I have this chart, but it only goes through Dec 2017. I can update it for 2018 numbers on Monday if you want.

Do you have plots of historical annual total Delta exports from 1960s through present? We could pull from dayflow and re-do, but wanted to see if you already did it for something sometime.

And thanks for the info on dewatering. I sent that on to our Sac River Division lead.

I've been poking our team for specifics for you, but haven't gotten any bites. But I heard Barb had some items for you.

I also see that you are on the two Tuesday Shasta/upper Sac meetings. We are putting together a list of questions to address at that, and I'll remind others that you should see those too.

Phew.

Thanks!
