Garwin, Maria,

Based on what Jeff sent over, I tried to draft a few overarching comments for Maria to begin with tomorrow. Let me know if it is anywhere close or if there are other big picture concepts you would like incorporated.

I didn't have any comments on Jeff's remarks for Pablo.

I haven't looked yet at the powerpoint, but can do so later tonight if there is need. Garwin, let me know if you had any comments. If you think it is good I'm fine for you to forgo my review, given the time.

Thanks,  
Christina
