Subject: Shasta RPA Workshop #2 notes
Attachments: 2017-05-02 ShastaWorkshop2 Notes_Responses.pdf

Good morning Garwin and Jeff,

We have completed compiling the notes from the Shasta RPA Workshop #2. Attached are the notes for distribution to the broader group (names associated with each question have been removed). I will follow up with another email that includes a version with names retained for your internal purposes. Please let us know if there are any questions or if there is anything else we can provide. Thank you!
