

**Shasta RPA Draft Proposed Amendment
NMFS – Reclamation
Stakeholder Meeting
1:00 PM – 4:30 PM, Thursday June 22, 2017**

Purpose:

This meeting will focus on two topics; 1) status update on temperature operations for the 2017 Sacramento River temperature management season, and 2) status update on system-wide analyses of the proposed draft amendment.

The meeting is intended to provide a forum for updating stakeholders and interested parties on the progress of each of the two items above. The agencies will provide an overview of the status for these efforts, and will be interested in learning more about thoughts, concepts, and ideas from stakeholders on continued implementation of these activities.
