Hi All,

Josh and I have incorporated the feedback received on the Shasta RPA Science Plan and are re-circulating it for your consideration. We think that the next steps should include your review of the document and possibly a discussion about its distribution to a wider audience. It is my understanding that, jointly, we will share the Science Plan at the next stakeholder meeting on the 14th; so if there are any further changes they will need to be made in the next two weeks.

Thank you,  
Evan
