**Attachments:** 12142017\_Draft Science Plan.pptx

Hey Josh, Garwin,

Attached is a (very drafty) presentation on the Science Plan for the meeting on Thursday. I have to shift gears and work on other things the rest of the day so I thought I'd share it now on the off chance you could look at it. Any input would be appreciated, but I understand you're probably tasked with a number things as well. Anyway, this is the current state of things.

Evan
