Added some things that were said that I thought were important (although I don't know that Jeff & co. would agree?).

Thanks,  
Evan

Barb and Evan,

Please review the attached and send over any track changes, hopefully quickly. I don't have my notes with me, so the summary is off the top of my head. Please review for accuracy, and if I left out a salient point, but this is meant to be high elevation.

Maria especially wants us to capture points of agreement, for example, 53 DAT.

-Garwin-
