Hi Maria,

Garwin & I have been working on rescheduling the Shasta RPA Workshop #4 that's set for this Friday, 1/26 @ 9:30 am. The dates that Federico & Jeff are available conflicts w/ what's noted on your calendar as deposition. My understanding is that the deposition dates are 2/13 & 2/15. Is this still the case? If so, would you be open to having the Workshop on Mon 2/12 from 2:30 pm to 5:00 pm.?

The March 6th date won't work either - that's IEP.

Pls. confirm at your earliest convenience.

Thanks!

Hi Garwin,

Federico and I talked about this today. The earliest date/time that will work for both Federico and Jeff is Monday, Feb. 12th from 2:30 - 5:00. After that the next date is March 6 and that is open all day. Let me know if I can hold anything.

Thanks,

Kathy

Sorry, typo in the meeting duration. We need one 2-hour pre-workshop coordination meeting, and one 2.5-hour workshop #4.

2/2, 1 p.m. Reclamation-NMFS pre-workshop coordination meeting, and 2/8, 9 a.m. workshop #4 work. If we could make the workshop 9:30 a.m.-12 p.m., that'd be better for folks who have to drive in from out of town.

Is this in addition to the 3 dates i've listed above? 2/2 @ 1:00 pm, 2/6 @ 2:00 pm, or 2/8 @ 9:00 am.

Whatever date we land on for the workshop, we'll also need to schedule a separate 3-hour Reclamation-NMFS coordination meeting (same folks), hopefully at least a few days prior to the workshop.

Thanks.

Hi Kathy,

Please let me know when you find a date or two that meets our requirements. Can you tell me if Thurs Feb 8th or Friday, Feb 9th works?

Anita,

Please coordinate with Kathy Osborn (cc'ed here) to find another date and time, hopefully sooner than later, and hopefully not later than February 9, to reschedule this Friday's Shasta RPA Stakeholder Meeting. The duration should be the same, 2.5 hours.

Key folks:

-- Reclamation: Federico Barajas, Jeff Rieker, Randi Field, and Dave Mooney  
-- NMFS: Maria Rea, Garwin Yip, Evan Sawyer, and Barb Byrne

Once we land on a date and time, Jeff Rieker will send out the Google calendar invitation and a separate e-mail to the entire stakeholder distribution list.

Thanks.

-Garwin-
