Thanks Susan, I will send the PDFs to Norma to add to the EndNote library.

Hi Brittany -

As we discussed, I went through the references at the end of the CE section. (Cumulative Effect\_v4) The ones that are NOT in Endnote (at least that I could find) are highlighted. I think you said you have most, if not all, in pdf.

We can discuss with Cathy and Norma how to best get the references finalized for that section.
