Subject: Check-in with SWFSC on a few items in the SRKW prey analysis

Cathy, as discussed last week, there were a few items in the draft SRKW prey analysis that I would like looked over by the SWFSC if possible.

Attached is a clean version of a recent draft (edits received from John last night not yet incorporated), with two targeted review requests (see comments) at the bottom of p. 23, and on p. 25.

Please share with the SWFSC; they can call me or Dan if they have any questions.

Thanks,
Barb
