Garwin – thanks for reaching out...Let me suggest an initial group of managers: Lewis Bair (RD 108), Thad Bettner (GCID), Mike Battles (ACID), Max Sakato (Sutter Mutual), Andy Duffey (Meridian) and Marc Van Camp (MBK). I am happy to help with scheduling etc. if you like. I hope this helps. Thank you.

David,

NMFS would like to meet with the SRS Contractors regarding Reclamation's and our effort to adjust the Shasta RPA actions. We're shooting for the first week of October for the first meeting. Please send over names of whoever you think should be at the meeting on your side, and also a single point of contact for scheduling the meeting(s).

Thanks.
