Subject: 12/1/2016 Shasta RPA adjustments meeting
Attachments: 2016-12-01 ProposedAgenda.docx; Shasta RPA Adjustment Actions 11.30.2016.docx

Attendees: Jeff R., Dave M., Josh, Ron, Janice, Brycen, and Garwin (Maria attended the last few minutes)

Attached are the agenda and the handout that we walked through.

NMFS will have an internal draft of the Shasta RPA adjustments by COB Tuesday for initial review.

In prep for the December 8 Shasta RPA adjustments meeting, Reclamation will identify areas of agreement, areas where additional work is necessary, and potential interim measures for 2017.

ETA for NMFS's issuance of a final 2009 RPA with 2017 amendments is January 13, 2017.

Thanks Garwin; attached are a few items that we could discuss this afternoon (starting off with the doc you sent). Recognizing you're in meetings, perhaps we can adjust this as needed when the meeting starts.

Thanks,
Jeff

Jeff,

I have back-to-back meetings starting at 9 a.m. until we meet at 1 p.m.

We put together the attached that we could walk through. In addition, I thought Josh had prepared a handout that we didn't get to last time we met.

Garwin,

Thanks for the reminder - I'll see if we can get that data for tomorrow's meeting, and get back to you in the morning with thoughts on agenda.

Thanks,
Jeff

Jeff,

How's progress in sending out the data that were used to develop the attached graph?

Thoughts about agenda items for tomorrow's Shasta RPA adjustments meeting?

To: Garwin Yip <garwin.yip@noaa.gov>

Handout from Reclamation during the October 27, 2016, Shasta RPA adjustments technical team meeting.

This was a hindcasting of past Shasta storages and relationship to cold water storage (<52 degrees).
