Katrina,

Thanks for sharing the PPT. Attached in the notes pages are some suggestions for clarification/clean up.

I am coordinating with Jana (USFWS) on our slides. We'll get them to you...eventually :) !

Hello all -

Attached is the draft presentation for our February 14th stakeholder kickoff meeting on the Reinitiation of Consultation on the Coordinated Long-Term Operation of the CVP and SWP. We are still working to finalize it. We are hoping that NMFS, USFWS, DWR and DFW can each present a slide or provide some thoughts during the meeting. The attached presentation has placeholder slides for each of you.

We are doing a run through tomorrow, Wednesday, 2/8, at 2:30 pm. You are welcome to come over to 810 I Street Suite 140 where we will be going through the presentation in the conference room, or call in with this number: Conference Line: [877-596-8186](tel:877-596-8186); Participant Code: 8003450.

I am looking forward to working closely with all of you in this process.

Thank you,

Katrina Harrison
