Cathy,

There's an issue with how to characterize the environmental baseline in the ROC on LTO. Because we completed a project-specific consultation on future ops, but USFWS completed a programmatic consultation on future ops (with no incidental take), we're trying to figure out how to characterize the environmental baseline in the BA. Hopefully you're available to join us for the discussion at the next ROC on LTO core team meeting.

ROC on LTO Agency Meeting

Conference Line: 877-596-8186; Passcode: Participant Code: 8003450

When Tue Sep 19, 2017 2pm – 4pm Pacific Time

Where BOR-MPR Bay Delta Conference Room ([map](#))
